who had been holding up Southern Pacific trains and otherwise terrorizing that country.

Following them up into the Tulare county hills, after many battles, always hanging on with the tenacity of a buildog nature, one that knew no fear, John Sonntag and Gardiner were killed by Matson, Evans and George Sonntag captured. The latter were ultimately, after fierce legal battles, sentenced to life imprisonment. Matson got a reward of \$10,000 from the express company for this feat, and this was increased by other rewards to a total of \$17,000.

Matson speaks every Indian tongue and has been of great value to the government as an interpreter. He was with Crook during the great Geronimo campaigns in Arizona and New Mexico, being at the head of a detachment of White Mountain Apache scouts, He was present at the capture of the notorious Indian leader, and was in charge of the escort which took him to the Indian territory, where he died some time ago, After that he spent much time along the Mexican border line and had a prominent part in breaking up many bands of international outlaws.

He was attached to the Harriman party which went into Alaska, where

and which he knew like a book. Hera he staked out many claims in the Cop-per river country, visited the Aleutian islands, and the pribyloffs. He remain-ed with this party during its entire stay, serving as guide and interpre-ter. Of late years the colonel has been taking life as it becomes one who has done a valiant share of work in his time.

time.

The old habit of roaming would not quench, and he made a trip around the globe. He visited many foreign lands, and was present at the storming of Port Arthur. In his fast declining years he finds pleasure in visiting the scenes where he spent trying times during his younger years. The colone is not loquacious but at times will break out and in a few words tell of historical incidents, inside history, which always commands the closest attention.

Col. Matson has had many offers

Col. Matson has had many offers

I was cured of a bad case of catarrh when nothing else that I tried had any effect. My wife was cured from a severe case of la grippe, and we feel that the least we can do is to gratethat the least we can do is to gr fully acknowledge the merit colonel believes breakfast bacon, for instance, will ere long be advanced to 40 cents. It is not so long ago that this much desired article was selling at 20 cents. Col. Geoghegan says the packers are actually apping that the public will quit eating meat for a time, so as to give them a chance to get their bearings, and catch up with their orders. The removal of the tariff would ease the situation some by accelerating importations from Canada and South America.

'My wife joins me in sending best

GOLD MINE IN ORCHARDS.

Grand Junction Grower Tells of Successful Methods on Grand River,

"Smudge pots, intelligent spraying soil cultivation and rigid grading of the harvested apples have made fruit lands at Grand Junction, just across the state line in Colorado, worth from \$1,500 to \$3,000 an acre. And our lands are not only selling at those figures but are paying us 25 per cent or better preserved simply for experimental purposes, and with no intention whatever of selling the meat for food. The colonel expressed a more or less abhorrence of cold storage products as he claims freezing nullifies the nutritive properties and destroys the natural flavor. The fish, for instance, that comes shipped in ice and frozen has neither the flavor nor nutriment it possessed before being thus packed.

PURE FOODS AND PURE MEDICINES

mean better, healthier, happier people. It has been proved, however, that all medicines are not adulterated and worthless any more than are all food products.

The wheat has been sifted from the chaff, and such medicines as Lydia E. Pinkham's Vegetable Compound, which is made from roots and herbs and compiles with all conditions of the interest yearly on these valuations,

temperatures are practically the same, seldom varying over two degrees. What we are doing at Grand Junction can be done in Utah.

"Our soil is a sandy loam—a grayish brown, but some of our clay lands produce the finest peaches and apples. It is a regular adobe clay. All our water has to be pumped out of the Grand river into the canals, a maximum height of 140 feet. This makes it somewhat more expensive than it would be what more expensive than it would be if we had mountain streams to irrigate

Mr. Wigginton is in Salt Lake to con Mr. Wigginton is in Salt Lake to consult with several local men interested in a \$20 acre tract that has been secured across the river from Grand Junction. The intention is to plant 150 acres the coming season to applea. They will plant Jonathan, Arkansas Blacks, Rome Beauties, and Winesap. He expects to be in town several days. Mr. Wigginton was assistant superincendent and metallurgical accountant with Mr. Nutting at the Bingham Consolidated mine before he went into the orchard business. rehard business.

WOMAN'S LEAGUE BRANCH.

bench warrant and Paulson was hustled into court.

Judge Morris L. Ritchie is trying the case and Judge Ritchie does not believe in delaying the wheels of justice.

"You have delayed the trial of this case, Mr. Paulson," Judge Ritchie said when the billard table man was arraigned before him. "I will fine your corporation \$5, and it must be paid before the case goes any farther."

Paulson paid the money and was sworn as the first witness in the case. He declared that his sun bath, however, was worth the money. Local Chapter of American Society Starts With Enrollment of 75,

Yesterday a large number of rep ative women met at the home of Mrs. E. Bonnemort for the purpose of organizing a local chapter of the American Woman's league. About 75 members were enrolled, officers elected and plans discussed for waging a membership campaign to obtain the required number to secure the \$10,000 clubnouse. The present number insures a \$4,000 structure, but it was decided to wait for the added membership which will secure a more handsome structure. The officers elected were as follows: President, Mrs. A. V. Taylor; recording secretary, Mrs. L. S. Deane; corresponding secretary, Mrs. L. S. Deane; corresponding secretary, Mrs. Margaret Zane Witcher; treasurer, Mrs. Corey Albriton; auditor, Mrs. B. N. Straup; board of directors, Mrs. Allen T. Sanford, Mrs. Elizabeth Bonnemort, Mrs. A. L. Young, Mrs. Nellie E. Howman, Mrs. C. E. Allen, Mrs. Johnson, Mrs. William Tibhals, Mrs. Helen Kimball and Mrs. D. S. Whitley. . Bonnemort for the purpose of organiz-Phones 4448.

FOWLER AGAIN ARRESTED.

STUDENTS WIN DEBATE.

The result of a spirited debate be The subject of debate was "Resolved, that tariff should be imposed for revenue only." Profs. Gillilan, McNiece and Townsend represented the affirmative, while the negative was handled by Ernest Quayle, Vermont Hatch and Fisher Harris for the students. At the conclusion of the debate, the audience was asked to vote for the victor, and decided by casting a vote of 102 for the lads, against 7 votes in favor of their teachers.

Business Only.

Mathonihah Thomas addressed the retail merchants of this city last everetail merchants of this city last evening in the Boyd Park building, urging a plea for broader lives, and a widening of interest by men who were inclined to devote themselves to their business affairs to the exclusion of needed mental diversions and improvement. Mr. Thomas told his hearers that those who work seven days in the week are their own worst enemies. Mr. Thomas said that a man consulting a lawyer had a right to demand absolute truth and honesty and, on the other hand, the lawyer had the same right to demand absolute truth and honesty from his grocer and his butcher.

At the meeting next week, Walter J. Frazler, city food inspector, will address the merchants. On March 23 an address will be given by President W. W. Riter of the Departs.

DEFICITS IN THREE FUNDS.

City Treasurer's Report for February Shows Where Money Went:

defielts are shown already in three revenue funds. The deficits are in the water supply and irrigation fund, the waterworks fund, and the sidewalk fund, making a total of \$36,501,85. Balances in the various funds are Balances in the various funds are shown as follows at the close of the month: Contingent, \$187,585.88; water supply and irrigation, \$2.498.76 (deficit); waterworks, \$4.785.53 (deficit); streets and stdewalks, \$29,395.56 (deficit); sowers and drains, \$1.482; library, \$12,996.71; bond interest fund, \$829.22; hand sinking rond, \$10.719.89.

In the special funds are balances amounting to \$450,784.61, in which is included \$272.795.25 remaining in the water bond issue and only \$49,789.22 of the sewer bond issue of a year ago.

SCOTT ARRESTED ONCE MORE.

Released on Writ of Habeas Corpus And Immediately Taken Again.

Otls H. Scott, held on the charge of embezzling two diamond ear-rings from Mrs. A. H. Marean of San Bernardino, Cal., was released by Judge T. D. Lewis Wednesday after-noon on a writ of habeas corpus which was sued out, but he was immediately arrested again. It was held by the court that the complaint charging him with being a fugitive from justice was defective as it did not state on what charge he was being held. Requir defective as it did not state on what charge he was being held. Requisition rapers are now on the way from California, and an officer is also on the way. It is understood that both to officer and the papers are tied up the delay on the Southern Pacific Chief Barlow intends, however, to hold the man if possible until the officer arrives. It is probable that another will will be sued out again this afternoon.
